Service to be Inaugurated on Nov. 28 with Volunteer Fleet Vessels.

LONDON TIMES—NEW YORK TIMES
Special Cablegram.

LONDON, Nov. 13.—A telegram from Moscow to The Times says the opening of the new Russian steamship line to America is fixed for Nov. 28. Cargo has been booked from South Russian ports, and a satisfactory complement of emigrants has been secured at Naples. It is stated that the terms made with the Italian emigration authorities are very satisfactory.

The ships will maintain a minimum speed of fourteen knots. The service will be inaugurated by Volunteer Fleet vessels.

This is the first long-distance Russian steamship line, except that between Russian ports and the Far East.
